

גוסטב הולסט – יופיטר JUPITER מתוך The Planets

הולסט השתמש בלחן של חלקו המרכזי של הפרק למילים שחוברו להמנון לשביתת הנשק

Lyrics: Cecil Spring-Rice in 1918 after the Great War of 1914–1918.

Music added by Gustav Holst, 1921

I vow to thee, my country, all earthly things above,
Entire and whole and perfect, the service of my love;
The love that asks no question, the love that stands the test,
That lays upon the altar the dearest and the best;
The love that never falters, the love that pays the price,
The love that makes undaunted the final sacrifice.

And there's another country, I've heard of long ago,
Most dear to them that love her, most great to them that know;
We may not count her armies, we may not see her King;
Her fortress is a faithful heart, her pride is suffering;
And soul by soul and silently her shining bounds increase,
And her ways are ways of gentleness, and all her paths are peace.
